Comments

Please comment with respect to the Professor's effectiveness:

Makes me think analytically

Great Course. The process of creating a product and applying all the learnings was very educational. Dr Hanif's way of conducting the course was excellent.

It was very enlightening class and learned quite a few things

Excellent Teaching

Was a very interesting and simulated class. Kept me curious and guessing

Overall very innovative way of teaching subjects

very practical approach

very good curriculum

This innovative format should be used for other remaining courses that we are yet to go through. Excellent learning, awesome teaching methods

Very Good Professor. Effective in generating entire class participation with real life examples from newspaper / articles.

I take my words back mentioned during the first feedback that it's like another marketing subject. Absolutely enjoyed every minute of it. Very well framed

Effective Teaching

Professors teaching was very effective and helped to throw up many view points.

Excellent Class Teaching. Would have expected more class.
